# Imperial Security & Fire

CAPABILITY STATEMENT

*“ This Business Capability Statement highlights our organisation’s experience and capacity to service our customers. ”*

# Introductory statement

Imperial Security & Fire is a second generation Australian owned company that has been in operation for over 35+ years in the electronic security industry. Since 1984, we have been providing all manner of electronic security solutions to both our commercial and residential clients across Greater Sydney and beyond, successfully forging long standing relationships with our clients, allowing us to develop a comprehensive understanding of your sites and assets.

Our after sales service we consistently provide to our clientele is something we are particularly proud of, in varied industries including both corporate, retail and residential premises, both large and small.

We have a sound approach to business practice and strive for excellence in everything we do.

## Mission statement

The mission of Imperial Security is to provide clients the peace of mind that's afforded to living & working in a safe and secure environment, using technology to improve lives and provide asset protection with support that is unrivalled and second to none in the security industry.

# Products and services

Imperial Security & Fire is focused on delivering and understanding the needs, objectives, priorities & expectations of our clients. Our products and services include:

- 

**ACCESS CONTROL** - Residential & Commercial IP Video Intercom Systems, Keyless Entry Systems, Bluetooth Readers, Bio Metric Readers, Licence Plate & Facial Recognition Cameras and the provision and complete management of access fobs and/or cards
- 

**CCTV** - AI Cameras, Industry grade IP Cameras, Network Video Recorders, Complete Video Management Software Solutions & Self-Managed Solutions
- 

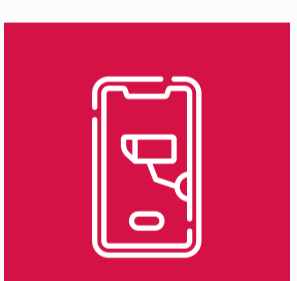

**ALARM SYSTEMS** - Provision & Installation of leading alarm systems with monitored & self-monitored options, servicing, and the option of continued Programmed Maintenance
- 

**PORTABLE & FIXED 4G SOLAR SOLUTIONS** - Fully equipped monitored & self-monitored solar/battery powered 4G CCTV solutions for the continual protection of construction sites and any site where traditional power may not be available
- 

**ALARM SCREENS** - Unique Imperial Security Alarm Screens, providing residential premises a perimeter protection option, allowing windows to be open whilst your security system is armed
- 

**MONITORING SERVICES** - Professional 24/7 Grade 1 Back to Base alarm monitoring solutions including Remote Video Monitoring/Video Verification incl. Virtual Patrols and Patrol Response
- 

**MANPOWER** - 24/7 Guarding Duties, Patrol Response & Static Guard services
- 

**PREVENTITIVE MAINTENANCE PROGRAMS** - Tailored preventative maintenance programs to ensure all electronic security systems are running effectively, preventing unplanned downtime and the continual protection of people and assets
- 

**FULL SYSTEM INTEGRATION** - All in one solutions for existing or new CCTV, Access Control & Alarm Systems, allowing for an 'all-in-one' easy to manage on-site security system
- 

**REMOTE MANAGEMENT SERVICES** - Secure Cloud Storage Solutions, Web Based Software Solutions, Telephone & Online Support
